### **11.1 Affiliated Players and Games**

Team affiliations will be submitted to the GTHL by November 15, 2021 or as required by the GTHL for the 2021-22 season..

The Club reserves the right to change or alter the above team affiliations as per GTHL rules and deadlines. If teams in our Club prefer different affiliations the head coach of each team must contact the club GM immediately.

### **11.2 Affiliated Players/Practices & games**

The philosophy of the Club allows us to encourage your child to practice with their affiliated team. Call ups/APS are to be arranged between the head coaches of each team. Players cannot contact coaches above them and ask to be a call up without approval of their own Head Coach. Players who are suspended in league play as APS must serve their suspensions in their own age groups. Players cannot play for any other team other than the team that they are affiliated with.

Players can only be called up to play with their affiliated team for a total of **10 games** which includes tournament, exhibition, and playoffs. If the player exceeds the 10 games the coach and player will be both issued a suspension from the GTHL. The game or games played over 10 will result as a defaulted 1-0 loss. The Team Manager or coach is responsible to keep a log of each player that is used as a call-up.

### **11.3 Procedure of Coaches Concerning the Use of Affiliated Players**

The affiliated team requesting the use of a player or players shall contact his affiliated team's head coach to request the use of such players. Before that request will be granted, the Head Coach must provide a compelling reason for the need for such player or players; further, with this request, the player or players requested must not be playing or practicing more than three times in four nights. If both criteria have been satisfied, the Head Coach of the Team below must honour the request that he direct the player or players to report to play or practice with their affiliated team. However, if the Head Coach of the Team below can provide a compelling reason as to why the player or players asked for should not be called up, replacement players will be sent. Any issues or problems that may arise due to injuries or suspensions that may not allow the use of call-ups must be cleared through the club GM or President.
